## 10-YEAR COMBINED CONTRACTORS AND PRODUCT WARRANTY CERTIFICATE

**10-Year Combined Contractors and Product Warranty Certificate** This type of Guarantee is our only offering to include workmanship for BELOW GROUND CDM and Cementitious Tanking material contracts. The products are covered by BIOKIL. for the duration of the period, 10 years, and the workmanship is covered by the Approved Contractor only.

*The charge for this Guarantee is 5% of the Contract Value with a minimum charge of £100.00 for contract values under £2000.00*

## 10-YEAR PRODUCT WARRANTY CERTIFICATE

**10-Year Product Warranty Certificate** This type of Warranty ONLY covers products supplied by BIOKIL. and does NOT cover workmanship.

*The charge for this Guarantee is 2.5% of the Contract Value with a minimum charge of £50.00 for contract values under £2000.00*

For all works BELOW ground level, be it the installation of a Cavity Drainage Membrane System or Cementitious Tanking, you have the opportunity to fortify your project with the unwavering reliability of a BIOKIL. Guarantee. This 10-year assurance stands as a testament to our commitment to excellence, covering not only the top-tier BIOKIL. products utilized in the project but also providing invaluable peace of mind regarding the meticulous workmanship executed by an approved contractor.

When opting for a Cavity Drainage Membrane System, you're not merely investing in a moisture control solution; you're securing a decade-long safeguard for your property. The BIOKIL. Guarantee ensures that the innovative membrane system, designed to divert and manage water ingress, performs optimally throughout its lifespan.

Similarly, if your project involves the application of Cementitious next 10 years. Tanking, the BIOKIL. Guarantee extends its protective umbrella. This entails a comprehensive coverage of the high-performance tanking material, shielding your structure from potential water damage for the next 10 years!

**Elevate your below ground confidence: Biokil Crown - Where product integrity meets expert craftsmanship. 10-Year peace of mind, backed by our unparalleled guarantee!**

## 10-YEAR PRODUCT WARRANTY

**BIOKIL.**

At BIOKIL., our commitment to providing comprehensive protection for your property extends beyond the initial installation. With our range of 10-Year Product Warranties, you gain added assurance and coverage for key components of your project. This includes Damp Proof Course (DPC) injection, Cavity Drainage Membrane (CDM) materials, and Cementitious/Epoxy Tanking materials—essential elements used both above and below ground.

It's important to note that while these warranties offer substantial coverage for the specified products, workmanship is not included. To further enhance your protection and ensure comprehensive coverage, we recommend considering our 30-Year Protection Scheme or our 10-Year Combined Warranty. This extended scheme goes beyond the scope of the individual product warranties, providing a more holistic and prolonged safeguard for your entire project.

At BIOKIL., we understand the importance of safeguarding your property investment, and our range of warranties and protection schemes is designed to provide you with the confidence that your project is not only built to last but also backed by our unwavering commitment to quality and longevity.

**Elevate your below ground confidence: Biokil Crown - Where product integrity meets expert craftsmanship. 10-Year peace of mind, backed by our unparalleled guarantee!**

## APPLICATION PROCESS

**MADE SIMPLE:** All applications are processed via our website [www.biokilcrown.co.uk/guarantee/guarantee-application-form/](http://www.biokilcrown.co.uk/guarantee/guarantee-application-form/) which combines all our available Guarantee's & Warranty's in one place.

The form is simple to complete, asking only for essential details such as products used, batch numbers, and job completion date. Once submitted, you'll receive a confirmation email showing the address the guarantee applies to—ideal for your records. Within 24 working hours (often sooner), the certificate will be emailed to your registered account address.

If you have any questions about the process, please email us at [guarantee@biokilcrown.co.uk](mailto:guarantee@biokilcrown.co.uk).

Once received, you can forward the certificate directly to your client—saving on postage and helping you get paid faster. Most guarantees are turned around within just a couple of hours!
